Sex

Please circle the vaccine package, vaccines and/or Coggins testing that you would like for your horse(s).

Coggins Testing If your horse is new to our system, we will take digital photos of your horse so please be sure they are clean. White marks need to be clearly visible. If you board your horse please have the name and address of the boarding stable available.

Coggins $30.00

We will be offering 3 vaccine packages as well as additional single vaccinations.
Core package 1- These are the vaccines that are recommended for our area, if your horse rarely leaves the property.

Tetanus, Encephalitis, West Nile
Rabies

$56.00

Core package 2- These are recommended for all adult horses, especially those that travel.

Tetanus, Encephalitis, West Nile, Flu, Rhinopneumonitis (Herpes)
Rabies

$82.00

Core package 3- These are recommended for all adult horses, especially those that travel or live around wet lands, creeks or lakes.

Tetanus, Encephalitis, West Nile, Flu, Rhinopneumonitis
Rabies and Potomac Horse Fever

$99.00

Single vaccinations are as follows:

Potomac Horse Fever $25.00

Botulism $24.00

Rabies $18.00 Certificate is available anytime throughout the year upon request.

We are offering a Lyme disease vaccination program. If you are interested please let us know.

We require payment at the time of service. We accept personal checks, credit cards and cash.

It is important that we have enough supplies on hand so please **RSVP by April 5**.

Any questions? Please feel free to call or e-mail the office: cvequineservice@gmail.com 717-467-5757.
